Instrument Sets**

# ORTIMPLANT PRODUCT GROUPS

## ● STERILIZATION CONTAINERS

We produce aluminum sterilization containers suitable for all surgical sets which are convenient, hygienic, safe & which can be used without wrapping with surgical textiles and which can maintain sterilization safety for a long time

## ● TRAUMA INSTRUMENT SETS

Orthopedic surgery instrument sets, including carefully designed surgical instruments aluminum boxes, silicone holders suitable for the placement of the surgical instruments for all orthopedic surgeries, provide great convenience to surgeons during surgery

## ● ORTHOPEDIC STERILIZATION CONTAINERS

Aluminum perforated boxes, screw racks, silicone holders, surgical instrument trays are produced for all surgical instrument sets, which allow the orthopedic surgical instruments to be stored, transported and sterilized by wrapping surgical textile

"With its obsessive Quality policy...."

With its obsessive quality policy and with its open structure to development. Ortimplant goes on its constitution under today's modern institutional structure

## Screw Rack

## Cannulated Screw Instrument Sets

Our expert team has years of experience in development of business and strategy..

From raw materials to services after sales, Ortimplant considers to apply Total Quality Management System, With respect to this policy **Ortimplant has been certified its Quality with the certificates of CE, ISO 9001, ISO 13485.**

Ortimplant manufactures orthopaedics implants, sterilization containers and accessories in line with world norms with its high technologic workshop.

Ortimplant increases its success in orthopaedic field everyday by manufacturing new and developed products as a result of investigation and research studies of the specialist physicians and experienced engineers according to needs of global orthopaedic market.

Together with modern background and educated technical team Ortimplant aims qualified manufacturing as a goal.

From raw materials to services after sales Ortimplant considers to apply Total Quality Management. With respect to this policy Ortimplant has been certified its Quality with the certificates of CE, ISO 9001, ISO 13485.

With the aim of more rapid and continuous satisfaction of customer desires, Ortimplant educates the employees in advanced stages to increase customer satisfaction under all conditions. With periodically given education seminars Ortimplant is in the aim of reaching institutional quality from personal quality and with direction of this goal Ortimplant succeeded the communication between employees by meeting all management and technical teams together in social and cultural activities.

Ortimplant attributes to national and international sectoral fairs to actively present its current and new products to the medical sector in the world.

With its obsessive Quality policy and with its open structure to developments Ortimplant goes on its constitution under today's modern institutional structure.
